REQUEST FOR PARTICIPATION AND WAIVER OF LIABILITY RIDE ALONG TRAINING PROGRAM

I, _____ a private citizen, request that I be allowed to
Full Name (Printed)
ride as a passenger and/or observer in a County or private vehicle on a regular Code
Enforcement inspection assignment on _____ (date and year).

I make this request with full knowledge that I may be exposing myself to some risk of bodily harm, including but not limited to, the risk of injuries resulting from the operation and use of a motor vehicle, and the risk of injuries inherent in participating, even as an observer, in Code Enforcement inspection activities at construction sites.

I further understand that the primary duty of the Code Enforcement Officer with whom I will be riding may prevent said Officer from making any provision for my personal protection under many circumstances and that neither the Officer, the Department of Planning and Land Use, nor the County of San Diego can completely guarantee my personal safety. I agree that unless I am a County employee, I will not enter private property without the consent of the property owner or legal occupant.

In consideration for being allowed to ride along with a Code Enforcement Officer as requested, and with full knowledge and appreciation of the risks involved, I voluntarily agree to, and do hereby, assume all risks of physical harm in connection with this request.

I further agree not to bring any claim or suit with respect to any injuries I may sustain against the State of California, the County of San Diego, the Department of Planning and Land Use, or any of the County staff, and I agree to hold them harmless from and indemnify them for any and all claims, demands, suits, and liability which might possibly arise out of my participation in this program as requested herein. I further agree that I may be subject to a background check before the County determines whether to authorize my participation in this program.

I will follow the instructions of the Code Enforcement Officer with whom I will be riding and will wear a hardhat on any construction site.

I certify that I am at least 18 years of age (unless parents' signatures appear below).

BY MY SIGNATURE BELOW, I CERTIFY THAT I HAVE READ THIS "REQUEST FOR PARTICIPATION AND WAIVER OF LIABILITY" BEFORE SIGNING IT AND I FULLY UNDERSTAND ITS CONTENTS.
